

# Cedar Valley Shingle Siding

Handcrafted Cedar Valley products are perfect for your distinctive home.

## A Custom Look For Your Custom Home.

Cedar is a timeless compliment to any architectural style, from traditional to contemporary.

The Cedar Valley system-shingle panels, corners, column wraps and more-comes in a variety of styles and shingle patterns to help you create the exact look you want for your home.

In addition, Cedar Valley provides custom-designed products for special needs and applications.

## There's No Substitute For Real Cedar.

Cedar Valley products are made from 100 percent kiln-dried Western Red Cedar for a beautiful, warm look. Synthetic siding can't come close to the natural performance and appearance of real cedar. Cedar provides unsurpassed resistance to moisture, decay and damage. There's an additional bonus to natural cedar siding-energy savings. Cedar's unique cell structure traps tiny pockets of air to boost insulation and reduce home energy costs. Cedar is naturally low maintenance. Properly finished and installed, it could be the last siding your home ever needs.

## Color and Factory Finished Choices.

Cedar Valley products are available in a "Rainbow of Colors" and range of factory finished options. Whether you're looking for the rustic warmth and beauty of natural cedar or the impact of color, you'll have many options to choose from. All applied by our nationwide network of machine stainers for a tough durable coating that adds protection and value to your home.

## Backed By An Outstanding Warranty.

Cedar Valley has been the leader in the shingle panel industry for more than 25 years. We've built our reputation on an ongoing commitment to quality, innovation and performance. With warranties up to 50 years, our panel system is backed by one of the best warranties in the business.
